Subject: Motion for Senate consideration

Madame la Vice-présidente,

Please see below a motion I wish to be considered on the agenda for the next meeting of the Senate of the University of Ottawa.

Whereas the University of Ottawa is an academic institution that desires to be open, accountable and transparent; and,

Whereas it is a right of students and staff at the University to enjoy the benefits of academic free^{done}; and,

Whereas the Canadian Charter of Rights and Freedoms empowers everyone in Canada with the “freedom of thought, belief, opinion and expression;” and

Whereas it is in the interests of all students for the University to encourage debate and present diversity of ideas on this campus.

Be it resolved that the Senate of the University of Ottawa reaffirm its commitment to academic freedom and freedom of expression; and,

Be it further resolved that the University promote its place as Canada’s University; a place of tolerance, public debate and diversity.

Thank you,
Kyle Simunovic
